Chinese President Xi Jinping, also general secretary of the Communist Party of China (CPC) Central Committee and chairman of the Central Military Commission, reviews the armed forces during the celebrations for the 70th anniversary of the founding of the People's Republic of China (PRC) in Beijing, capital of China, October 1, 2019.

Editor's Note

Since the 18th National Congress of the Communist Party of China (CPC), the CPC Central Committee with Xi Jinping at its core has, with great historical initiative, tremendous political courage and a strong sense of responsibility, taken into account both domestic and international imperatives, introduced a series of major principles and policies, rolled out a series of major measures, advanced a series of major tasks, overcome a series of major risks and challenges, and solved many tough problems that were long on the agenda but remained unsolved, and accomplished many major undertakings that were long sought but unachieved in the past, yielding historic achievements and historic changes in the cause of the Party and the country.

The great practices of General Secretary Xi Jinping in governing the country are fully embodied and integrated with Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era. The Thought has taken shape amid the grand endeavors of carrying out the great struggle, developing the great project, advancing the great cause and realizing the great dream. It serves as the scientific action guide to building a great country and advancing national rejuvenation on all fronts through Chinese modernization.

During the extraordinary journey of this era, reporters of Xinhua News Agency have stood at the forefront of the times and witnessed history as it unfolds, producing a wealth of news stories that reflect Xi's profound thinking, far-reaching vision, and remarkable achievements on governance. These reports provide a comprehensive picture of the vitality of our era and the forces driving its profound transformations.

Xinhua News Agency is compiling and publishing *China's Governance Under Xi Jinping's Leadership*. This series will help Party members and officials grasp the decisive significance of establishing Xi Jinping's core position on the CPC Central Committee and in the Party as a whole and establishing the guiding role of Xi Jinping Thought on Socialism with Chinese Characteristics for a New Era, become more conscious of the need to maintain political integrity, think in big-picture terms, follow the leadership core, and keep in alignment with the CPC central leadership, reinforce their confidence in the path, theory, system, and culture of socialism with Chinese characteristics, and uphold both Xi Jinping's core position on the CPC Central Committee and in the Party as a whole and the CPC Central Committee's authority and its centralized, unified leadership, thereby pooling the mighty strength for building a strong country and realizing national rejuvenation. The series will also help tell China's stories well by presenting to the world a more comprehensive and vivid account of China's successful path and experience.
